

## Photo Orienteering in Zernez

On a roughly two-hour walking tour through Zernez, you'll learn about some of the Lower Engadine's typical Romansh characteristics in a fun and engaging way. Ideally, you should start the photo scavenger hunt at the Zernez Tourist Information Office and then use the map on the back to find your way around. The photo scavenger hunt is signposted year-round and is perfect for a friendly competition within the family or a school camp.

### Instructions

- Your task is to find the subjects in the photos (back side)
- Once you have found the subject, look around the post to find the sign located within about ten meters of the photo subject and mounted on an A5 board. Answer the question and enter your answer on the answer sheet below
- To find the solution word, write the letters you're looking for in the corresponding space (e.g., 9/1 means: solution for photo 9, 1st letter)
- Hand in the answer sheet at the Zernez Visitor Information Centre. If you provide the correct solution word, you'll receive a small souvenir. You also have the chance to enter a prize draw and win a gift worth up to CHF 150. The prize draw takes place twice a year. Good luck!
